

YouTube Gaming Monetization Plan (90 Days)

Prepared for: Kesavaraj

Goal

Reach YouTube Partner Program by improving content quality, consistency, click-through rate, and audience retention.

Upload Schedule

Daily: 2 Shorts (20–30 seconds).

Every alternate day: 1 Long Video (8–15 minutes).

Recommended upload times (IST): Shorts at 1 PM & 8 PM, Long videos at 7–9 PM.

Shorts Formula

0–2 sec: Hook (crash, dangerous road, impossible parking).

3–20 sec: Challenge or action.

Last 5 sec: Unexpected ending + 'Subscribe for more'.

Long Video Formula

Start with the most exciting moment, then explain the challenge and keep something interesting happening every 5–8 seconds with zooms, captions, sound effects, or camera changes.

Thumbnail Tips

Use one truck image, one exciting moment, and 2–4 big words like 'NO BRAKES', 'MISSION FAILED', or 'DANGEROUS ROAD'. Avoid clutter.

Growth Tips

Reply to every comment.

Study Analytics for retention and click-through rate.

Do not re-upload identical content.

Focus on storytelling instead of raw gameplay.

Final Advice

Consistency for 90 days is more important than chasing viral videos. Improve one thing every week: hook, thumbnail, title, editing, and storytelling.
